

El Tajín

El Tajín, Mexico is only one example of the over 100,000 buildings, many “*spacious buildings*”, (*Mosiah 11:8*), that date back exactly to the Book of Mormon time period.

This is a 1913 picture of one of the “*100’s of ancient*” buildings in the ancient City of El Tajín.

This picture was taken before it was restored.

This building dates back exactly to the Book of Mormon time period.

El Tajín, Northern Veracruz, Mexico. Dated from **1100 BC to 110 AD.**

Excavations began at this site in 1939, as of 1981, over 90% of the ancient ruins still remain hidden under a blanket of earth and vegetation.

El Tajín

*“The construction of buildings at El Tajín began about the 1st century...” 1 A.D to 100 A.D.
“Archaeologists believe El Tajín became a regional power in about 100 A.D.” (El Tajín Archaeological Ruins)*

El Tajín

This building would, with out question, even in our day be call, a “*spacious building*”.

Joseph Smith, nor could have anyone else in the 1830's, had any knowledge about the dates of the many ancient buildings, cities and other artifacts that dated back exactly to the Book of Mormon time period.
